Explanation of resolutions to be proposed

Resolutions 1-2 are standard ordinary resolutions dealing with the Company's duty to lay the annual accounts and statutory reports before the members in general meeting and the approval of the directors' remuneration report.

Resolutions 3-6 deal with the re-election of directors. In line with best practice, all directors of the Company are standing for re-election by shareholders. This exceeds the requirement set out in the Company's Articles for a third of the Board to retire by rotation at each AGM. The directors' biographies are set out on page 10 of the published Annual Report and are available on our website: <http://www.hydrogengroup.com>.

All the directors have been recommended for re-election by the Nomination Committee. Each director makes a valuable contribution and is committed to the Company. The Non-Executive directors remain independent in character and judgement.

The Board is undertaking a search for a Finance Director and will keep shareholders informed of progress via the website and announcements made to the market through an appropriate Regulatory Information Service.

Resolution 7 and 8 deal with the re-appointment and remuneration of the statutory auditor. The Company is required to appoint an auditor at each AGM at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting. The Audit Committee has reviewed the independence, objectivity and effectiveness of the auditor on behalf of the Board and supports the re-appointment of Grant Thornton UK LLP.

Resolution 9 renews the authority granted at the AGM in 2015 for the directors to allot securities in the Company. This authority is limited in section (a) of the resolution to an allotment up to a maximum nominal amount of £79,679, representing just under one third of the issued share capital of the Company as at the date of the Notice. It is standard practice for most public companies to renew this authority annually. The directors are seeking to renew this authority to enable them to make small share issues if appropriate, in the best interests of the Company at that time. The directors have no present intention of exercising this authority. Section (b) of resolution 9 proposes to give the directors authority to issue shares equivalent to a further one third of the Company's current issued share capital only in the case of a rights issue. This meets institutional investor recommendations. The directors do not currently intend to conduct a rights issue but wish to maintain flexibility. If approved, the authorities granted would remain valid until the conclusion of the next AGM in 2017.

Resolution 10 will be proposed as a special resolution, requiring a voting majority of 75%. It seeks to renew the authority given at the 2015 AGM for the directors to issue equity securities of the Company for cash, outside the pre-emption rights provided by the Act. This authority is sought in connection with a rights issue or similar issue, or otherwise in connection with an allotment of up to 5% in nominal value of the Company's issued share capital as at the date of the Notice. The authority, if granted, would remain valid until the conclusion of the next AGM in 2017.

Resolution 11 will also be proposed as a special resolution, requiring a voting majority of 75%. It also seeks to renew and update a power previously granted at the 2015 AGM. If passed, the Company will have the power to buy up to 2,390,300 shares, representing approximately 10% of the Company's issued share capital as at the date of the Notice, subject to the constraints set out in the resolution. If granted, the authority would expire on the date of the next AGM in 2017 or, if earlier, 18 months after the passing of resolution 11. The Company has no current intention to repurchase shares in the market but wishes to retain the flexibility to do so. The authority will only be exercised if the Board considers there is likely to be a beneficial impact on earnings per ordinary share and a purchase would be in the best interests of the Company at the time.
