# Entering a timesheet

To enter a timesheet, you select **Timesheets > Create** through the navigation menu bar when on the homepage.

You can use the provide the calendar popup to help you select the correct date, in the event that no timesheet is available for that week ending please contact [onboardingusa@hydrogengroup.com](mailto:onboardingusa@hydrogengroup.com) for assistance.

After selecting the week ending, you will be presented with a blank timesheet similar to the below. If you are on a hourly rate, please enter the start/break/finish time and the total number of hours will calculate automatically.
